

TECHNICAL DATA SHEET

Product Name: Hop Hysterian

Product Code: 46-356

Update Date: May 16, 2017

TECHNICAL INFORMATION

Appearance: A clear, colorless to pale yellow liquid.

Flavor: The flavor is characterized as floral hop.

Shelf Life: **We recommend freezer storage in tightly sealed containers, protected from light. Shelf life under these conditions is twelve months from date of manufacture. Cold stored products should be warmed to room temperature and mixed well before use.**

Replacement/Usage Level: Typical usage levels range from 0.02 to 0.05% in beer. Depending on the application, the range may vary.

GM Status: **This product does not contain ingredients from genetically modified source materials and, where appropriate, ingredients are traceable back to origin with an Identity Preserved system.**

Additional Assistance: For additional assistance on the qualification of Kalsec® products, such as supplier and product questionnaires, allergen declarations, nutritional, labeling, ingredient range declarations (component range breakdowns) and other documentation in support of your approval of Kalsec® products, please contact the Kalsec® Regulatory Affairs team at customerservice@kalsec.com.
